# Tax info for 2021

## Real Estate Tax

The Town collects the real estate tax for both the municipality and the North Allegheny School District for all properties located within the confines of the Town. The tax is calculated by multiplying the tax rate by the assessed value of your home or property.

It is important that you pay your tax by the due dates below, even if you have filed an appeal with Allegheny County. Once a deadline passes, the higher amount must be paid, even if you win your appeal. In addition, failure to pay your tax by December 31 may result in a lien being placed against your property.

## 2021 Real Estate Tax Deadlines

- July 1: Real estate tax bills will be mailed
- August 31: Last day to pay real estate taxes at the 2% discount amount
- November 1: Last day to pay real estate taxes at the face amount
- December 31: Last day to pay real estate taxes before they become delinquent

If you choose to take advantage of the installment payment program, the due dates for 2021 follow:

- August 31: First installment due
- November 1: Second installment due
- December 31: Third installment due

## Earned Income and Net Profits Tax

Keystone Collections Group collects the earned income and net profits tax for both the Town and the North Allegheny School District for all residents of McCandless. The tax is based on salaries, wages, and net profits earned throughout the year, and is due and payable in quarterly installments.

You can contact Keystone by phone: 724-978-0300; mail: 546 Wendel Road, Irwin, PA 15642; or online: [keystonecollects.com](http://keystonecollects.com).

Under the law, employers are required to have Certificate of Residence forms on file for their employees. When filling out the form, please note that the Town of McCandless PSD code is 710704.

## Local Service Tax

Keystone Collections Group collects the local services tax for the Town. This tax applies to any individual who works in the Town at any time during the calendar year, and the rate is \$52 per calendar year.

The tax is withheld by employers and forwarded on a quarterly basis. If you are self-employed or receive compensation for which taxes are not withheld, then you should forward \$13 per quarter.

## Per Capita Tax

The Town also collects the per capita tax for the North Allegheny School District. This tax applies to all residents of the Town of McCandless over the age of 21. The rate is \$10 per person, per fiscal year, which runs from July 1 through June 30. The tax for the 2021–2022 school year will be included on your real estate tax bill if you own and occupy a home in the Town. Renters will receive a separate bill in early July.

## Business Privilege Tax

The Town of McCandless Business Privilege Tax is a tax on the gross receipts, less certain allowable deductions and exclusions, generated by any business that has an established location, or *situs*, in the Town. The tax return and payment are due on May 17. The tax office will accept returns as timely if postmarked by the U.S. Postal Service on or before the due date. All returns postmarked after the due date will be considered late and subject to penalty and interest.

## Drop Box Procedures

Please note that tax payments placed in the drop box or hand delivered are accepted as being timely for the following tax deadlines: May 17 (Business Privilege Tax), August 31 (Real Estate Tax at discount), and November 1 (Real Estate Tax at face).

Want to throw out old TVs, electronics and household chemicals?

## Check out the **At Your Door HHW and E-Waste Collection**

As a part of the Town's contract with Waste Management, residents have a convenient new opportunity to dispose of **Household Hazardous Waste** — such as cleaners, chemicals and automotive products — and **E-Waste** — such as old computers, televisions and other electronics.

The At Your Door HHW and E-Waste Collection program allows residents to easily dispose of these often difficult-to-recycle items.

### How to participate...

First, you have to schedule your collection. There are three ways to do this:

1. Go to [www.WMAtYourDoor.com](http://www.WMAtYourDoor.com)
2. Call 1-800-449-7587 (Monday-Friday 8 a.m. to 8 p.m. Eastern Time)
3. E-mail [AtYourDoor@WM.com](mailto:AtYourDoor@WM.com)

The call center operators will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of materials available for the pick up. You will be provided a convenient collection date and information about where to place the kit for collection. A kit will be sent to your home in plenty of time for you to gather and pack your materials.

For more info and a complete list of items that are accepted in this program, go to [www.townofmcandless.org/resident-info/pages/your-door-hhw-and-e-waste-collection](http://www.townofmcandless.org/resident-info/pages/your-door-hhw-and-e-waste-collection)

## Yes, they still are taking glass and most plastics ...

There's been a lot said about the state of recycling and the recycling industry over the past few years, not to mention the fact that some local communities have removed items such as glass and many plastics from their recycling programs. However, through the end of 2021, Waste Management will continue to pick up glass and plastics 1-5 and 7 in your recycling cart in McCandless.

## SENIOR DISCOUNT FOR WASTE PICKUP

**Did you know — McCandless senior citizens age 65 or over that are the financial head of household qualify for a 10% discount on their trash bill?**

To get signed up, drop by Town Hall (9955 Grubbs Road) with proof of age (valid driver's license or other recognized photo ID) and documentation of financial responsibility for the household (i.e., a utility bill with your name on it).

## Yard waste pickup

Yard waste pickup **begins Monday, March 1 and continues through Friday, December 3**. Yard waste pickup happens the same day as your trash and recycling pickup.

Yard waste can be accumulated for collection using your optional 95-gallon green-top cart. Alternatively, you can use up to 3 paper composting bags (purchased at most home improvement stores).

**Acceptable** items that can be collected using this service include grass clippings, leaves, branches, brush and plants/flowers.

Unacceptable items include soil, food waste, pet waste and lumber.

The National Fitness Campaign (NFC) designed the court and provided a partial grant, and UPMC Passavant stepped up to the plate to serve as the major sponsor. It is a 32-foot-by-35-foot court containing seven stations, 30 pieces of bodyweight training equipment and has the capacity to accommodate up to 28 people at a time. The Fitness Court® is designed to provide a full body workout in only seven minutes.**

# November is a month where we say "thanks"

We all have something to be thankful for. Let's take this time to say "thank you" to our local service providers. These agencies work hard every day to provide essential needs and services to the community. From the bottom of our hearts, thank you for all you do.

## Happy Thanksgiving!

## The policy for snow and ice control within the Town is as follows:

- Bare pavement maintenance will be provided whenever possible on all contracted state roads, Town roads, and roads in new developments that will become Town roads (after these same roads are paved and houses are occupied by residents), divided into 9 routes that are prioritized by volume and steepness.
- Fire department entrances and ambulance authority entrances shall be salted and/or plowed when work is accomplished in each snow and ice control route.
- Private roads (non-Town roads having two or more residences) shall be plowed after the above services are performed, whenever six inches (6") or more of snow is accumulated. Due to the nature of these private roads, plowing will be done only at the request of residents along these roads.
- A form entitled "Request & Release for Plowing of Private Road" is available for property owners on private roads requesting plowing assistance from the Town. **ALL** property owners on a private road must sign the release. Plowing will only be done after an accumulation of six or more inches of snow and after all public roads have been cleared.

Severe road conditions prompt some drivers to leave their vehicles on Town Streets. Vehicles parked on streets during such conditions make some operations extremely difficult and jeopardize the safety of motorists and vehicles. Vehicles must be parked off-street as soon as possible so the Town can conduct its snow operations effectively.

The **Town of McCandless snow and ice control program** provides for the salting and plowing of snow from streets within the Town. This vital maintenance service is performed on 110 miles of Town roads and 20.12 miles of state owned roads. This state road mileage encompasses all state roads in the Town with the exception of Route 19 and McKnight Road, but includes their ramps. Public Works Department crews also offer plowing to approximately 18 miles of private roads in times of heavy snowfall (6"+ accumulation) upon request.

All **sidewalks** must be cleared in a reasonable amount of time as circumstances permit, preferably within 24-hours after a snowfall. Please use caution when moving snow and help those who may have health problems or are not able-bodied. In addition, please do not shovel or blow snow from the sidewalk onto to the street.
