

A photograph of the McCandless Town Hall building, a two-story structure with dark grey brickwork and a dark roof. The words "McCANDLESS TOWN H" are visible in large, light-colored, three-dimensional letters on the side of the building. A vibrant rainbow is visible in the sky above the building, stretching from the left side of the frame towards the center. The sky is blue with scattered white clouds. In the foreground, there are bare trees and utility poles with wires. The overall scene is bright and clear.

Expenditures

Revenue

By October 15 of each year, the Town Manager must submit a proposed budget to Town Council outlining proposed upcoming annual expenditures and a five-year capital expenditure plan with cost estimates. Town Council discusses the budget at public meetings, and votes on a final version in December.

Tax info for 2024

Real Estate Tax

The Town collects the real estate tax for both the municipality and the North Allegheny School District for all properties located within the confines of the Town. The tax is calculated by multiplying the tax rate by the assessed value of your home or property.

It is important that you pay your tax by the due dates below, even if you have filed an appeal with Allegheny County. Once a deadline passes, the higher amount must be paid, even if you win your appeal. In addition, failure to pay your tax by December 31 may result in a lien being placed against your property.

2024 Real Estate Tax Deadlines

- July 1: Real estate tax bills will be mailed
- September 3: Last day to pay real estate taxes at the 2% discount amount
- October 31: Last day to pay real estate taxes at the face amount
- December 31: Last day to pay real estate taxes before they become delinquent

If you choose to take advantage of the installment payment program, the due dates for 2024 follow:

- September 3: First installment due
- October 31: Second installment due
- December 31: Third installment due

Per Capita Tax

The Town also collects the per capita tax for the North Allegheny School District. This tax applies to all residents of the Town of McCandless over the age of 21, employed or not employed. The rate is \$10 per person, per fiscal year, which runs from July 1 through June 30. Per capita tax for two adults is included on your real estate tax bill if you own and occupy a home in the Town. Homeowners with less than, or more than, two adult residents should contact the tax office. Renters receive a separate bill.

Earned Income and Net Profits Tax

Keystone Collections Group collects the earned income and net profits tax for both the Town and the North Allegheny School District for all residents of McCandless. The tax is based on salaries, wages, and net profits earned throughout the year, and is due and payable in quarterly installments.

You can contact Keystone by phone: 866-539-1100; mail: 546 Wendel Road, Irwin, PA 15642; or online: keystonecollects.com.

Under the law, employers are required to have Certificate of Residence forms on file for their employees. When filling out the form, please note that the Town of McCandless PSD code is 710704.

Local Service Tax

Keystone Collections Group collects the local services tax for the Town. This tax applies to any individual who works in the Town at any time during the calendar year, and the rate is \$52 per calendar year.

The tax is withheld by employers and forwarded on a quarterly basis. If you are self-employed or receive compensation for which taxes are not withheld, then you should forward \$13 per quarter.

Business Privilege Tax

The tax return and payment are due on May 15. The tax office will accept returns as timely if postmarked by the U.S. Postal Service on or before the due date. All returns postmarked after the due date will be considered late and subject to penalty and interest. New businesses in the Town must register and obtain a license. New business profile forms are available on the website or contact the tax office.

Drop Box Procedures

Please note that tax payments placed in the drop box or hand delivered are accepted as being timely for the following 2024 tax deadlines: May 15 (Business Privilege Tax), September 3 (Real Estate Tax at discount), and October 31 (Real Estate Tax at face).

What holidays cause waste pickup to be delayed?

- New Year's Day
- Memorial Day
- July 4
- Labor Day
- Thanksgiving Day
- Christmas Day

If a holiday falls on a regularly scheduled workday, collections for the holiday and each day thereafter will be delayed by one day (and Friday's material will be collected on Saturday). However, if the holiday falls on a weekend, there is NO delay.

Want to throw out old TVs, electronics and household chemicals?

Check out the **At Your Door HHW and E-Waste Collection**

As a part of the Town's contract with Waste Management, residents have a convenient new opportunity to dispose of **Household Hazardous Waste** — such as cleaners, chemicals and automotive products — and **E-Waste** — such as old computers, televisions and other electronics.

The At Your Door HHW and E-Waste Collection program allows residents to easily dispose of these often difficult-to-recycle items.

How to participate...

First, you have to schedule your collection. There are three ways to do this:

1. Go to www.WMAtYourDoor.com
2. Call 1-800-449-7587 (Monday-Friday 8 a.m. to 8 p.m. Eastern Time)
3. E-mail AtYourDoor@WM.com

The call center operators will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of materials available for the pick up. You will be provided a convenient collection date and information about where to place the kit for collection. A kit will be sent to your home in plenty of time for you to gather and pack your materials.

For more info and a complete list of items that are accepted in this program, go to www.townofmccandless.org/resident-info/pages/your-door-hhw-and-e-waste-collection

COME JOIN THE CAUSE

The McCandless Environmental Advisory Committee again is hosting spring and fall roadside cleanups. The spring cleanup will be April 20 and the fall one will be in October (final date TBA).

Make your community look great, and be a part of the solution! Sign-up info will be made available in the weeks prior to the cleanup dates.

Brandt Trail

Trail Length: .93 Miles

Lurking in the woods north of Wall Park is the brand-new Brandt Trail.

The 0.93-mile trail runs north to south, with one trailhead being at the Wall Park parking lot and the other off of Glen Manor Road.

Much of the work was completed by volunteers in 2023, with help from the Town's Department of Public Works and the McCandless Township Sanitary Authority. Volunteers came from groups such as the Town's Environmental Advisory Committee, Trail Pittsburgh and local Boy Scout troops.

A trail for this location initially was proposed a couple decades ago, and the Town and volunteers have worked diligently for the past several years to make this a reality. The trail is named after the Brandt family, who were past owners of some of the acreage the trail is built on.

MS4 PERMIT: MUNICIPAL SEPARATE STORM SEWER SYSTEM

THE PERMIT FOR PREVENTING STORMWATER POLLUTION!

WHAT IS AN MS4 PERMIT?

The Municipal Separate Storm Sewer System (MS4) Program was administrated through the Federal Clean Water Act (CWA) in 1999. Pennsylvania implemented state regulation of the MS4 permit in 2003. The goal of the MS4 program is to prevent stormwater pollution from entering nearby waterbodies. Municipalities are required through the EPA and PADEP to implement a stormwater management program comprising of 6 Minimum Control Measures (MCMs) that help with the overall goal. The 6 MCMs include the following:

#1 Public Education & Outreach Program

- Educate the public on stormwater pollution and prevention. Distribution of stormwater educational materials can occur through bulletin boards, newsletters, magazines, public meetings, websites, and social media.

#2 Public Involvement & Participation Program

- Promote environmentally friendly activities for public participation. A few examples are planting days, cleanup programs, storm drain stenciling, and recycling collection events.

#3 Illicit Discharge, Detection & Elimination

- Develop, implement, and enforce a program to detect and eliminate illicit non-stormwater discharges and include prohibition of illicit discharges in the stormwater management ordinance.

- Prepare a comprehensive map of the municipal storm sewer system and conduct outfall screenings during dry weather to identify if illicit discharges are occurring.

#4 Construction Site Stormwater Runoff Control

- The goal of this MCM is to reduce stormwater pollution from construction sites. In Pennsylvania, Municipalities typically rely on PA DEP's statewide program that requires the local county conservation district to undertake these tasks.

#5 Post-Construction Stormwater Management

- Encourage low impact development in construction projects and enact and enforce a stormwater management ordinance for post-construction stormwater management.
- Implement a program for operation and maintenance of private and municipal-owned stormwater best management practices (BMPs). These stormwater BMPs include dry ponds, wet ponds, rain gardens, underground tanks, etc.

#6 Pollution Prevention & Good House Keeping

- Educate and train municipal staff to prevent and reduce stormwater pollution from operational activities such as winter road maintenance, material storage, street sweeping, leaf collection, and lawn mowing.
- Develop standard operating procedures (SOPs) for each operational activity that can contribute to stormwater runoff.

Put a **FREEZE** on Winter Holiday Fires

Did you know?

As you deck the halls this season, be fire smart.

More than **1 in every 5** Christmas tree fires were caused by a heat source too close to the tree.

Half of all home heating fires occur in December, January and February.

Read manufacturer's instructions for the number of light strands to connect.

Plug only **1 heat-producing appliance** (like a space heater) into an electrical outlet at a time.

Make sure your tree is **at least 3 feet away** from heat sources like fireplaces, radiators and space heaters.

Keep anything that can burn **at least 3 feet** from any heat source.

Snow happens.

The Town of McCandless snow and ice control program provides for the salting and plowing of snow from streets within the Town. This vital maintenance service is performed on 110 miles of Town roads and 20.12 miles of state owned roads. This state road mileage encompasses all state roads in the Town with the exception of Route 19 and McKnight Road, but includes their ramps. Public Works Department crews also offer plowing to approximately 18 miles of private roads in times of heavy snowfall (6"+ accumulation) upon request.

All **sidewalks** must be cleared in a reasonable amount of time as circumstances permit, preferably within 24-hours after a snowfall. Please do not shovel or blow snow from the sidewalk onto the street.

Public Works has the road system in the town broken into 9 routes. There is one truck assigned to each route.

The salt storage facility is at Town Hall and salt trucks must refill several times to complete a single route.

If your street is at the end of a route, it may take longer to service your road, but all roads will be serviced as quickly as possible.

We will not alter any route under any circumstances, as each route has been calculated for efficiency.

Winterfest

A night scene of a winter festival. In the foreground, a large, stylized letter 'A' is constructed from a metal frame and is densely wrapped in strings of multi-colored Christmas lights (red, green, blue, yellow). A string of similar lights stretches across the top of the frame. In the background, several other light displays are visible, including a large 'M' and other festive structures. People are seen walking around the festival grounds, which appear to be covered in a light layer of snow or frost. The overall atmosphere is festive and brightly lit by the artificial lights.

The fourth annual Winterfest will be taking place Saturday, December 7 at Town Hall

Take in all the lights, games, food and fireworks you can to get in the spirit
