RE: Monthly Police Activity Report – November 2023

The Town of McCandless Police Department responded to 934 calls in the month of November.

Our officers continued “outside” training in the month of November. Sgt. Grant attended Police Officer Supervisor in Transition training which assists the officer in going from one who takes orders to one who gives the orders. The officer is instructed in the best practices to accomplish leading the patrol officers. This was a weeklong training for newly appointed sergeants.

Our Drug Recognition officer attended the yearly conference in Harrisburg. The conference included break-out training sessions pertaining to what is new in the field and being able to network with other Drug Recognition experts. Our departmental accident deconstructionists attended their yearly conference as well.

We re-certified two of our taser instructors. As always, we prefer to use our in-house officers to train our department in the use of the taser.

Officers participated in “No Shave November” to help raise funds for a local police officer and his family as they deal with a serious medical condition and the unforeseen associated costs.

The police department continued their food drive for the month of November for the North Hills Community Outreach.

The officers assigned to the North Hills Special Response Team attended their monthly training. Our K9 team attended their training as well.
