MCCANDLESS175 MEMORIAL BRICKS \$100

Bricks can be purchased to honor someone special, memorialize the life of a loved one, commemorate a special occasion or share an inspiring quote with visitors. Sale of these bricks will help offset the cost of McCandless175 celebrations and create a lasting memory. The bricks will be installed on the walkway of the McCandless/Northern Allegheny Heritage and Cultural Center.

Scan the QR code for online ordering. Paper forms available at Town Hall.

An Important Note About Changes to Tax Collection in 2026

The new year will bring changes to how the Town of McCandless collects taxes.

Our Tax Administrator, Judy Wagner, has made the decision to retire during the first quarter of 2026 after several years of service to the Town and a decades-long career in accounting and tax service. Additionally, our most recent part-time Tax Associate has obtained his CPA and has moved on to bigger and better things.

With these changes, the collection of all Town Real Estate Taxes will be delegated to Jordan Tax Service, and the collection of Business Privilege Tax will be delegated to Keystone Collections Group, who will continue to collect Earned Income Tax and Local Services Tax for the Town.

All tax rates and deadlines remain the same in 2026. In-person payments of real estate taxes will take place at Town Hall by employees of Jordan Tax Service on specific dates that will be announced in your tax mailer.

Real Estate Tax: Billed annually starting July 1. Discount payment deadline is August 31. Face deadline is November 2. Penalty deadline is December 31. This year there will be two separate tax invoices in the tax mailer you receive – one payable to the Town of McCandless, and one payable to the North Allegheny School District.

Earned Income Tax: Paid quarterly unless withheld by your employer. Final tax returns are due by April 15.

Local Services Tax: Paid quarterly unless withheld by your employer.

Business Privilege Tax: Payment is due May 15.

Chartered in 1851, in 2026, McCandless will celebrate it's 175th anniversary!

The Town has put together a McCandless 175 Committee to plan, fundraise, advertise, and implement community events and programs to commemorate this momentous occasion. If you want to learn more, go to mccandless175.org.

Named in 1851 after Judge Wilson McCandless, our Town's history is rich with family farms, oil, the Harmony Short Line, Brown and Vaughn, Perrysville Road, Pine Creek, North Park, churches, schools, and all the residents who have influenced it along the way. In 2026, we'll honor our collective history with events and programs highlighting our past and celebrating the future.

Important dates and events to celebrate McCandless 175 are in the calendar grids
Check out our monthly pages this year for some "Then and Now" photos!

McCandless Town Hall on Grubbs Road opened in 1960. Prior to that, Town administrative offices and police were located in various buildings (including a temporary stay at the former Peebles school house — which currently houses Colaizzi's Hair Styling — in the late 1950s). Public meetings were held in various school auditoriums and fire halls. Today, offices and public meetings are held in the same building at 9955 Grubbs Road. The Public Works facility (located right next to Town Hall) was added in 1964. A lot of the building has stayed the same. In the early 1990s, a new addition was added to the western side of the building, creating new offices for the Town Manager, Zoning and Fire Marshal, as well as expanding the police station.

The Fire Marshal position was created in 1975 and is charged with enforcing the fire code of the town and performing fire code inspections of commercial buildings. This requires the Fire Marshal to conduct fire code inspections on over 1,300 commercial occupancies, investigate the origin and cause of fires within the Town, and teach fire prevention programs to around 2,500 children annually.

Parks have come a long way in McCandless in only a half century. In 1976, the Potter family donated the land that is now Potter Park, which was the first dedicated parkspace in the Town. This was followed by Devlin Park in 1979. Since then, the Town has added Vincentian, Wall and Vestal parks to our roster of major parks. The Town also has added a few trails, including the Brandt Trail outside Wall Park, and this year has purchased 17 acres next to Potter Park for future park development.

In 1954, McCandless hired its first manager to oversee operations and report directly to its elected officials. The need for professional management and administration reflected a growing population as well as the change from a Township of the Second Class to a Township of the First Class the year prior. The manager, among many other things, oversees all staff, accounts for all taxes and fees deposited to the Town's accounts, signs all contracts on behalf of the Town, and submits proposed budgets to Town Council each October.

Zoning, building, planning, development and code enforcement are crucial aspects of Town administration as well as important to the overall safety and quality of life for Town residents. Staff and Town Council over the decades have taken a proactive approach to this, creating ordinances based on current trends and topics, including a full zoning ordinance overhaul in 2023, and updating the zoning map to manage the needs and growth of the Town.

All decision-making powers are vested in Town Council, which is comprised of seven members. Each member of council is elected from one of seven wards for a term of four years. Prior to becoming a home-rule charter community in 1975, McCandless Township was overseen by a board of seven Township Commissioners (also each from one of seven wards in the community).

The Town is protected by a volunteer service that runs thousands of calls annually. We have three volunteer fire companies: Highland Volunteer Fire Department (founded in 1927), Ingomar Volunteer Fire Company (also founded in 1927) and Peebles District Volunteer Fire Company (founded in 1944). There is an urgent need for more volunteer firefighters. To learn more and sign up, scan the QR code.

Since opening in 2017, volunteers at the McCandless/Northern Allegheny Heritage and Cultural Center store, organize, and make accessible the historically valuable, original records pertaining to the Town of McCandless, the North Allegheny School District, and surrounding communities. The collection fills the center's 2,000 square foot storage area. The HCC's collection includes North Allegheny School District photographs, documents, yearbooks, and sports memorabilia; twentieth century life; artifacts of popular culture; and North Hills related research materials and photos.
