Youth Officer, James Miller demonstrates fingerprinting to Patty, daughter of McCandless Officer Gibson.

IDENTIFICATION PROGRAM FOR CHILDREN

At the suggestion of council members a Personal Fingerprint Identification Program for Children will be conducted by the McCandless Police Department during the month of August. Fingerprints will be taken at the police department each Friday and Saturday from 9 a.m. until 12 Noon. Parents wishing to participate in the program should call the police secretary at 364-2250 for an appointment.

The program is available to school children (Kindergarten through Grade 5) who reside in McCandless. Participation is entirely voluntary. Because of state law, parents have to sign a "Permission Form For Child's Fingerprinting". Children will then have the prints placed on a Personal Identification form which will be given to the child's parents. IF REQUESTED BY PARENTS, a duplicate form will be filed at the police department.

Youth Officer James Miller and Detective Gary Anderson will conduct the fingerprinting. They stated that young children are difficult to "print" because of their small fingers. However, if parents of pre-school children wish identification prints taken, an attempt will be made with parents' assistance.

Chief Patrick McCabe emphasized the identification program is absolutely voluntary and NO fingerprints will remain in department files UNLESS specifically requested by a parent. He added, "Hopefully a child's fingerprints will never have to be used for identification. But, if only one instance of future use is needed, the program will be well worth the Police Department's time and effort."

FIRE DEPARTMENT ROAD-E-O

Peebles District Volunteer Fire Department of McCandless sponsored the second (2nd) annual truck road-e-o on Saturday, May 7, 1983, held in the Showcase Cinema North's parking lot. Volunteers from Berkeley Hills Volunteer Fire Department of Ross Township, Marshall Township Volunteer Fire Department, North Hampton Volunteer Fire Department of Hampton Township and Highland, Ingomar and Peebles (all of McCandless) were contestants.

There were a total of eight (8) tests of driving skills maneuvering their equipment with a possible score of 550 points. They were as follows: Off-set alley, alley docking, parallel parking, straight line, serpentine (forwards and reverse), turning around, diminishing clearance, and final stop line.

The following skills were awarded by six (6) trophies from the Peebles District Volunteer Fire Department of the Town of McCandless and presented by Chief Jim Arthur. Winners were Dave Neel of Peebles

(rescue squad class) 410 points; Dave Neel of Peebles (light pumper class) 410 points; Bill Leglar of Highland (medium pumper) 395 points; Ken Kontrik of Berkeley Hills (heavy pumper) 465 points; Mark Pierson of Highland (best aerial truck) 365 points; and Ken Kontrik, grand champion, 465 points.

SURPLUS FOOD DISTRIBUTED

Free food (5 lbs. cheese and 1 lb. butter) was distributed to area residents on April 23rd, May 19th and June 16th. Those eligible included Disabled American Veterans, people over 65 years in age and unemployed persons. Over 840 people registered and received cheese and butter. Costs of storing food for the program will be underwritten by the North Pittsburgh Community Development Corporation.

NEW DEVELOPMENTS

Several developments approved by Town Council are now well into their formulative stage as reported by Bill Nolan, Planning and Zoning Dept. Director.

The development being done by Radice Realty, Inc. at the corner of Babcock Blvd. and McKnight Rd. is well under way. Corporate Drive has been paved and will be opened sometime during the summer. In addition, Babcock Blvd. has been re-aligned and straightened to eliminate some hazardous curves. It is anticipated Babcock Blvd. will be closed again during the summer to straighten one last curve. Radice expects initial occupancy of their first building early in July and intends to break ground for the second building this fall.

Two additional subdivisions are in the final completion stages. They are the Vailey Run 9 lot subdivision owned by Prescott Cole and located at the corner of Rochester Road and Sloop Road; and the Meadow Oaks #2 16 lot subdivision located off Duncan Avenue.

A third subdivision, Kummer Farms #1 entailing 4 lots was previously approved by the Town. This subdivision is located on Kummer Road and is owned by Jack Schweiger and William Baierl.

HOW "TOT-FINDER" WORKS

The Town of McCandless's three (3) Volunteer Fire Companies use fire rescue decals for location of children in single and multi-family dwellings if a child is trapped in his/her room and cut off from rescue. Highly visible during the day and reflective from a light source at night, it is a priority to the firemen arriving at the scene of a fire.

Primary locations for the weather-resistant decal are: (1) windows of the children's rooms facing outside, (2) at bottom of interior doors facing into hallway.

"Tot Finder" decals are free upon request at the Highland, Ingomar and Peebles Fire Department or from Richard Wagner, Fire Marshal, at the Town Hall.

Chemical Company for calcium chloride Type I flake at a price of \$250.00 per ton delivered.

TOWN ROADS CLEANED

Boy Scout Troop 329, of Memorial Park U.P. Church, participated in April's "Keep Pennsylvania Beautiful Day". Scouts, along with their Scout Leader and Assistant, picked up debris along two miles of secondary state roads. This included (both sides): a section of Peebles Road; Duncan Ave. from Peebles Road to Babcock Blvd.; and, Babcock Blvd. from Duncan Ave. to Hedwig Drive. PennDot supplied the truck to pick up filled litter bags and crews for traffic safety.

McCandless Public Works Department personnel removed litter and debris from all other secondary state roads two to three weeks prior to this clean-up. The Town wishes to thank all those who participated.

RECREATION PROGRAM 10 YEARS OLD

A Joint Recreation Board was formed 10 years ago to provide vacation-time activities for McCandless, Bradford Woods, Franklin Park and Marshall Township students. The Board is comprised of one member from each municipality and the North Allegheny School Board. Gerard J. Aufman, Jr. is the McCandless Representative and serves as Board Chairman.

Sponsored and funded by the four municipalities, the program is supervised by paid personnel. Over 500 students participated in this year's program conducted at Bradford Woods Elementary School, Espe Elementary School, Ingomar Elementary School, Peebles Elementary School, Ingomar Middle School, North Allegheny Intermediate School, Warrendale Park and North Allegheny High School. The latter is used for 1 two-week swimming instruction program. All school facilities are rented from the North Allegheny School District by the Joint Recreation Board.

Each participating student pays a \$3.00 service fee (including insurance) for arts and craft classes in addition to group games and story-telling time. Special events days such as bike inspections (conducted by McCandless Police Officer, James Miller) and a bike parade are held each year.

The Joint Recreation Board also provides a winter program for exceptional children at Cumberland School.

OF GENERAL INTEREST . . . (Continued)

cards. Residents may ask for identification when involved in any matter of Town business.

— The previous Town Crier issue stated that residents would receive invoices every three months from refuse collector, Mazzaro Corp. This was incorrect! Mazzaro Corp. sent out cards to remind residents to use the payment card originally issued. If you have not received a card, or disposed of the original, please contact Mazzaro at 771-2828 and a new payment card will be mailed to you.

— Trail-bikes and go-carts are not permitted on Town roads and streets. They must be operated on private property ONLY with the written permission of the property owner.

— There have been changes in State House Representatives because of redistricting within the Town. Now representing you in Harrisburg are: Ward 1 — Brian Clark; Wards 2, 3 and 4 — George Pott; and, Wards 5, 6 and 7 — Richard Cessar.

— Real Estate Tax Notices were mailed on July 1, 1983. If you do not receive a notice by July 15, 1983, please contact the tax office by phoning Audrey Graper or Millie Barnhart at 364-0616.

— Crime rate per-capita in the Town of McCandless is the 14th lowest, nationwide, according to the Figge Report issued by Research and Forecasts of New York. Town police personnel credit residents care in safeguarding their property for this outstanding

record. They are also reminding residents that during vacation time greater care must be exercised. Anything of suspicious nature should be reported to the police department immediately. Be alert for your own safety and that of your neighbors!

— **ATTENTION TEENAGERS!** Are you looking for some part-time employment? Contact the Odd Job Bureau at Northland Library. Through this program teenagers who are willing to do Odd Jobs — mowing yards, garden work, babysitting, cleaning house, etc. — are matched with adults in the community who need this type of work performed. The employer will contact you directly by telephone. To apply for this program, come to the library between 2-4 p.m. on Mondays. This service is free and open to all residents of Ross, McCandless, Franklin Park, and Bradford Woods.
